Y3 Swimming

The Y3 children began their weekly swimming lessons this week at Concord.

Parents/Carers please could these forty Y3 children practice over the weekend getting dressed quickly as they took a long time to get ready after their swimming lesson. Thank you.

Lenten reflection 2:45-3pm

All Parents/Carers are welcome to join their child's class every Friday during Lent for Reflection Time. Please do not collect any children for appointments during this time.

Library

Reminder - the Library is open every day after school 3:15pm via the KS1 yard.

Golden Table – Squirrels & Beeley Woods

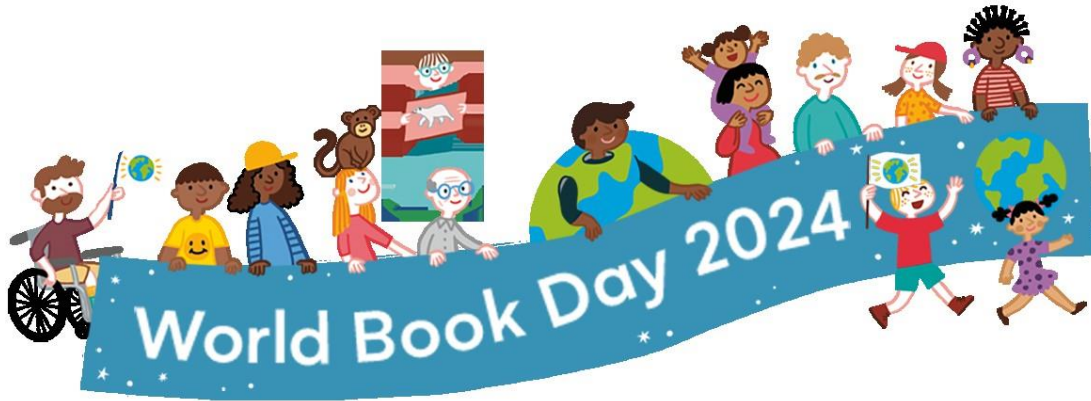

World Book Day 2024

This year, we are celebrating World Book Day on Thursday 7th March.

Our theme will be 'A world of colourful feelings'.

We invite all of the children to dress up in their brightest colours and bring in any book about feelings. They can even bring in a book that makes them feel happy and that they would like to share with other children.

Online Safety Notice

What are online scams and how can I avoid them?

Numerous scams are in operation to get you to provide personal details, including details of your bank account or credit card, for fraud. Phishing is a mostly email-based scam that lures you under false pretences to websites which look legitimate to get you to provide personal information. Such emails appear to be from recognisable sources such as banks but actually link to fraudulent websites.

- *If in doubt, don't open emails or attachments.*
- *Before disclosing any personal information online, make sure you know who you are dealing with.*
- *Be suspicious of anyone who asks for your bank account or credit card details or asks for your password.*
- *Examine the email sender's address carefully before opening an email, and do not click on any links or email attachments unless you are sure of the sender's identity.*
- *Check that the link looks correct before you click on it – if you're using webmail in a browser, hovering over the link with your cursor should allow you to see the actual link in the bottom left corner of your browser*

As a rule, don't click on any links in emails unless you've requested the email - visit the website you're being asked to go to via your usual means, e.g. type the address in manually, use a bookmark or use a search engine.
