### Welcome Evenings

Thank you to those who have attended your child/children's Welcome Evenings after school this week. The children have settled well in their new classes and are working hard on all areas of the National Curriculum.

### School Library Open daily 3:15pm

As reading is so important for your child/children's development and gives them an opportunity to choose books they like to read from an early age.

Please encourage them to use the school library each day as much as possible. **It is FREE!**

### Uniform/lost property

Please make sure you write your children's names on their school uniform and check your child has brought the correct uniform home. If your child has picked up another child's uniform, you must return it to the school as soon as possible.
