First Holy Communion – Y4, Y5 & Y6

If you wish for your child to make their First Holy Communion next year in 2025 please inform Fr Albert or the school office. Thank you.

Welcome Evenings

Thank you to those Parents/Carers who have attended their child/children's Welcome Evenings after school again this week. The children have settled really well in their new classes and are working hard on all areas of the Curriculum.

School Library Open Daily 3:15pm

Reading for pleasure is so important for your child's/children's development and our Library gives them an opportunity to choose books they like to read.

Please encourage them to use the school library each day. It is FREE!

ECO Warriors

Our Eco Warriors help care for our school community: they help others to follow our eco-code, monitor our energy use in school, and encourage teachers/staff and children to recycle. Eco Warriors will take part in discussions and votes and feedback any relevant information to their class.

Congratulations to our new eco warriors who all received their badges this week from Mrs McKeown.

Well Done.

Golden Table – St Francis & St Joan of Arc

Notice from Mrs Craig

We will be celebrating the Harvest Festival on Thursday 3rd October. Please can you start thinking about items you could bring in to donate to this e.g. fruit, vegetables, cans etc. These will need to be brought into school on Thursday 3rd October in the morning (not any sooner please). We will present these in an assembly at school during the day and children will do themed Harvest activities in class. These items will then be available to buy for a donation after school. If there is anything left over then we will donate them to a local food bank. Thank you.

Online safety notice from Miss Sheeran

Children and young people use many different social media apps and sites. The most popular are Facebook and Instagram, with many others such as Snapchat, Tiktok and Twitter.

There are lots of benefits to social networking. Children can stay connected to friends and family. They can also learn many different things, from make-up or gaming tutorials to making slime, or how to create their own videos.

Like most things, there can be negatives too. For children and young people there are risks that you should be aware of, to help keep your child safe on social media.

Visit the NSPCC website for more information on social media apps and how to keep young people safe while using them. <https://www.nspcc.org.uk/keeping-children-safe/online-safety/social-media/>
