OFSTED

As you will be aware on Tuesday 1st October and Wednesday 2nd October, the school had a full two-day Ofsted Inspection, the process of which was very detailed and rigorous.

Ofsted pass on their thanks to all the Children, Staff, Parents and Governors for their support during their visit. Thank you.

Rosary

October is the month of the Rosary and the stories are from the New Testament. Through the beads, we follow the life of Mary and Jesus. We follow Mary from the day Archangel Gabriel came to ask her to become the Mother of Christ, to the day she was crowned Queen of Heaven. Please encourage your children to bring in a set of Rosary beads from home that they can use in class and during assemblies.

The Rosary will be said in church every Wednesday morning at 10:30am during the Month of October. All classes received a basket of Rosaries for each child to say in class.

Rosary Bags will be sent home each night for you to pray with your children.

These must be returned each morning for another child/family to use. Thank you.

Notice from Mrs Craig

I opened up the chapel to all staff and children on Wednesday breaktime to say the rosary together. A small group of us gathered and we had a special time in prayer. This will continue throughout October, the month of Mary.

Harvest Festival Celebrations

Thank you so much to everyone who brought in items to donate. I was blown away by your generosity and with how much we gathered! KS2 gathered to share what they had been doing in class this week. It was wonderful to see all the artwork, poems, maps and prayers they had created. Thank you to those who donated money and took some items after school on Thursday. I packaged the rest in my car and delivered this to a local foodbank on Friday morning. They were delighted and passed on a huge thank you! Thanks again, Mrs Craig.

TIPS TO STAY SAFE ONLINE

There are lots of things you can do to keep yourself safe online.

- **Think before you post**

Don't upload or share anything you wouldn't want your parents, carers, teachers or future employers seeing. Once you post something, you lose control of it, especially if someone else screenshots or shares it.

- **Don't share personal details**

Keep things like your address, phone number, full name, school and date of birth private, and check what people can see in your privacy settings. Remember that people can use small clues like a school logo in a photo to find out a lot about you.

- **Watch out for phishing and scams**

Phishing is when someone tries to trick you into giving them information, like your password. Someone might also try to trick you by saying they can make you famous or that they're from a talent agency. Never click links from emails or messages that ask you to log in or share your details, even if you think they might be genuine. If you're asked to log into a website, go to the app or site directly instead.

- **Think about who you're talking to**

There are lots of ways that people try to trick you into trusting them online. Even if you like and trust someone you've met online, never share personal information with them like your address, full name, or where you go to school. [Find out more about grooming.](#)

- **Keep your device secure**

Make sure that you're keeping [your information and device secure.](#)

- **Never give out your password**

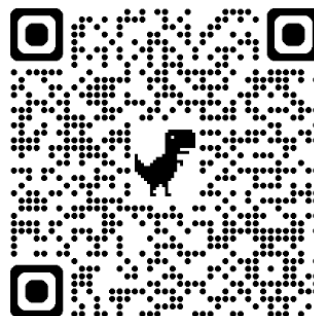

You should never give out your password or log-in information. Make sure you pick strong, easy to remember [passwords.](#)

- **Cover your webcam**

Some viruses will let someone access your webcam without you knowing, so make sure you cover your webcam whenever you're not using it.
