CAFOD Assembly and Workshops

The children attended the CAFOD assembly on Thursday of this week led by Jenny Seymour. The FS2 and FS2/Y1 classes also attended their own workshops.

FS2 Phonics Workshops

Ms Boardman led FS2 workshops for parents/carers after school this week on how to support the children in their Phonics lessons using the Little Wandles Phonics programme. Thank you all for attending.

Football Competition

The children did really well at Monday's football competition. The Boys came 3rd and the Girls came 4th. Both teams had close games. Thank you to the staff who organised and went with the children on the day. Well Done.

Kingswood

Mrs. Verdon-Smith, Mr. Fidler and Mrs. Ignacak would like to say thank you to the Y6 children and their parents for a wonderful residential experience.

The children were packed well by their parents and carers - with no items requested not to be sent sneaking in!

The children were well behaved throughout the trip, attempting all activities, including kayaking, abseiling, 'Jacob's Ladder,' team work tasks, problem solving, archery, an evening campfire and many more activities!

They thoroughly enjoyed the experience, as did we.

Here are some pictures for you to see.

A big thank you also, to all the parents and carers who collected the children promptly on Wednesday afternoon, this was most appreciated!

Thank you for your support.

Mrs. Verdon-Smith

Notice from Miss Sheeran – Online Safety

YouTube is used by many of our young people. It can be a useful tool to learn new skills or find important information. However, as with any online platform it can have its pitfalls. Once you set up a Supervised Account for your child, you can customise the settings relevant to your child. As they age, you can change the content settings and more to provide them with more freedom to explore their online space, helping them practise key online safety skills.

Click on the link or use the QR code below which will take you to the NSPCC site all about how to use YouTube safely, set up parental controls, monitor the use of you tube and much more!
