

Year 2 Autumn 1 Newsletter

Welcome to Year 2!

I hope you had a lovely summer and are ready for a fun year!

PE days

Our PE days will be Monday (outdoor) and Tuesdays (indoor). Please make sure you wear PE kit on these days.

Homework

Homework will be sent out every Friday. To help us prepare this, please return your homework books by Thursday each week.

Spellings for each week will be found on the inside cover of your homework book.

We will also use 'Purple Mash' to set homework activities to do at home - logins will be sent out for this.

Class Dojo

Don't forget to check Class Dojo. We will use this to share important information, as well as what the children have been up to in class!

Our learning this term

This term, we are going to be learning so many new things:

- Our history topic will be 'How was school different in the past?' We will learn about how schools were different 100 years ago, and compare this to what school is like now.
- Our science topic will be living things and their habitats. We will learn what living things are, how habitats help keep living things alive, and look at food chains.
- We will explore levers in Design and Technology.

General reminders

Don't forget to bring a water bottle filled with water, especially on PE days. As the weather changes, please try to bring a jacket or coat, in case of rain.
