

Y5/6

Autumn 1

2026-27

Welcome Back!

Welcome to Year 5/6!

I hope you have had a lovely summer break and are ready for another busy year! I can't wait to get started!

PE Days

This term, PE will be every **Monday** and **Friday** afternoon.

Please come each week with your full PE kit and sensible trainers.

ClassDojo

I will be regularly updating Class Dojo with good news and reminders throughout the term!

English

In reading, we are studying the book, Anglo-Saxon Boy by Tony Bradman.

Every day, we read an extract, learn new enriching vocabulary and develop our comprehension skills, from finding answers directly in the text to thinking like detectives and using clues we find to help us form opinions about the characters and themes in the book.

In our writing, we are focusing on securing our basic skills before enhancing them to write different types of texts linked to our whole class reading book.

Science

This term we will be focusing on 'Materials: Mixtures and Separation'.

During our lessons, we will be learning to separate mixtures by exploring different methods, including filtering, sieving and evaporation.

History

Key Question:

Were the Vikings raiders, traders or something else?

During our history lessons, we will be Exploring the Viking age by learning about Viking raids, trade, settlement and the struggle for control of Britain.

Homework

Homework will be given **every Friday** and needs to be **returned on Thursday**.
You will find your spellings to practice each week in the front of your homework book
