St Patrick's Catholic Academy Trust

Trustees' Report for the Year Ended 31 August 2023

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year ended 31 August 2023. The annual report serves the purposes of both a trustees' report, and a directors' report and strategic report under company law.

The trust operates an academy for pupils aged 4 to 11. It has a pupil capacity of 280 (excluding nursery children) and had a roll of 280 in the school census in January 2023.

Structure, governance and management

Constitution

The Academy Trust is a company limited by guarantee and is an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The company was incorporated on 29 January 2013. The company registration number is 08379733.

The governors act as the trustees for the charitable activities of St Patrick's Catholic Academy Trust and are also the directors of the charitable company for the purposes of company law. The charitable company is known as St Patrick's Catholic Voluntary Academy.

Details of the trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

Trustees' indemnities

The Academy through its Articles has indemnified its Trustees to the fullest extent permissible by law. During the period the Academy also purchased and maintained liability insurance for its Trustees.

Method of recruitment and appointment or election of Trustees

The Diocesan Bishop appoints a minimum of 6 Foundation Governors so as to ensure that at all times the number of Foundation Governors exceeds the total number of other Governors (excluding Foundation Governors) by at least 2. There are no vacancies to be filled.

The arrangements made for the election of a Parent Governor provides for every person who is entitled to vote in the election to have an opportunity to do so by post or, if he prefers, by having his ballot paper returned to the Academy Trust by a registered pupil at the Academy. The parent receiving the highest number of votes shall be appointed.

The arrangements made for the election of a Staff Governor provides for every member of staff who is entitled to vote in the election to have an opportunity to do so. The Staff member receiving the highest number of votes shall be appointed.

Community Governor may be appointed by the Governing Body provided that the person who is appointed as the Community Governor is not an employee of the Academy Trust and lives and works in the community.

The Umbrella governor is appointed by the Umbrella Trust.

Policies and procedures adopted for the induction and training of Trustees

The Academy has bought into the training services of Browne Jacobson Education Solicitors who undertake training on the roles and responsibilities of governors including any legal aspects of their role. The School has an internal induction programme for new governors.

Organisational structure

See Appendix 1.

Arrangements for setting pay and remuneration of key management personnel

The Finance committee meet annually to review the recommendations for pay progression of staff by the Headteacher if staff successfully meet their Performance Management objectives in line with the Pay Policy.

Governors on the Headteacher appraisal panel will meet annually with an external advisor to carry out the appraisal of the Headteacher and consider any pay increments if Performance Management objectives are successfully met in line with with the Pay Policy.

Related parties and other connected charities and organisations

St Patrick's Catholic Academy Trust is part of the Diocese of Hallam Schools' Partnership Agreement.

The Trust is part of the De La Salle Umbrella Trust for procurement purposes only. However this does not impact on the Trust's operating policies.

Objectives and activities

Objects and aims

The Academy Trust's object is:

To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a Catholic schools designated as such ("the Academy") which shall offer a broad and balanced curriculum and shall be conducted in accordance with the principles, practices and tenets of the Catholic Church; and

To promote for the benefit of individuals living in the area served by the Academy and the surrounding area who have need by reason of their age, infirmity or disability, financial hardship or social and economic circumstances or for the public at large the provision of facilities for recreation or other leisure time activities in the interests of social welfare and with the object of improving the condition of life of the said individuals.

Trustees' Report for the Year Ended 31 August 2023 (continued)

Objectives, strategies and activities

The school provides education for nursery to year 6 pupils of different abilities who are mainly drawn from the area in which the school is located.

The school aims to:

- To enrich the foundation stones of faith ensuring all members of the community is welcome to the inclusive nature of the school
- To develop inquisitive thinkers with a love of learning who cherish independent thought
- Pursue diversity and collaboration as foundation stones towards success.
- To promote enquiry, investigation and the exhilaration to learn.
- To foster individuality and encourage initiative, creativity and the appreciation of the world around them.
- Promote the freedom to think and imagine creating opportunities to record aesthetic images in word and visual form.
- High expectations at all levels will ensure a move towards an outstanding school, with outstanding children and outstanding practice.
- To enable children, former pupils, parents and staff to take pride in the community's distinctiveness and to feel valued and nourished by the community.
- To foster interest beyond the school – engaging with the local community and developing a national and international awareness.
- To provide a learning environment that is embedded in high expectations.
- Develop a school of research where CPD is in-built and integral to each day.
- To grow as an academy collaborating with schools in the Umbrella Trust.

Public benefit

The Academy provides educational services to all children in the local area. The Trustees confirm that they have complied with the duty in section 17 (5) of the Charities Act 2011 to have due regard to the public benefit guidance provided by the Charity Commission.

Going concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

In the prior year there was an intention for the Trust to be transferred into a Multi Academy Trust in the near future.

Since that time, there has been a change in direction and at a meeting of the Governing Body of St Patrick's Catholic Academy Trust it was resolved that the Trust will not be joining the St Clare MAT in the near future.

The Governing Body remain committed to revisiting this decision at a later date. The Governors feel that the Trust's immediate priority is to support staff and children through what has been a traumatic and challenging time due to the ongoing Global Pandemic and to allow them to return to some form of consistent normality.

We remain committed to the Bishop's vision for Catholic education across the Diocese and look forward to continuing to work and collaborate with our colleagues not only in the Hallam School's Department and the Sheffield Family of Catholic Schools but across the Diocese, whether they are in the MAT's or not.

Financial review

The Trust has an in-year surplus of £57,384 (2022 - deficit of £13,461) on restricted general funds (excluding pension reserve) and unrestricted funds.

The Trust has cash at the bank and in hand of £273,503 (2022: £181,018) with total net assets of £255,072 (2022 - £162,688) excluding the pension liability of £nil (2022: £35,000).

As at 31 August 2023 the level of free reserves held was £126,778 which shows a surplus of £3,046 on the 2022 total of £123,732. Restricted general funds (excluding pension reserve) amounted to £128,294 which shows a surplus of £54,338 on the 2022 total of £73,956.

The balance on restricted general funds (excluding the pension reserve) plus the balance on unrestricted funds amounted to £255,072 (2022: £197,688) and the trust had an overall balance of restricted fixed asset funds of £277,507 (2022: £300,208).

The Trust adopted as its principal financial policies the Academies Trust Handbook published by the DfE, Academy Schools: guidance on regulation as Charities and Internal Controls for Charities published by the Charities Commission together with the Academy's operational Financial Management and Administration procedure.

The Trust is principally funded by the General Annual Grant from the Department of Education which is exclusively used for providing education and the associated support services to the students of the Trust.

The Trust has agreed to set a reserve limit to keep money aside for when it is needed most and build up reserves for capital emergencies.

Trustees' Report for the Year Ended 31 August 2023 (continued)

Reserves policy

Introduction

1. There are a number of constraints placed upon academies in terms of financial management. One of these constraints is the inability to borrow funds. This constraint represents a key risk to Academies in relation to financial planning and monitoring.
2. One of the ways in which the academy mitigates against this risk is through the effective management of reserves, which provide alternative temporary funding streams should there be a delay in grant receipts or a sudden unforeseen increase in expenditure.
3. Setting a reserves policy helps inform the way in which the academy manages its budget and revenue and capital reserve.

Level of Reserves

4. The main financial risk to the academy is that of managing its short-term cash flow should there be a delay in receiving the monthly General Annual Grant (GAG) funding. To mitigate against this risk it has been agreed that an appropriate reserves balance would equate to 1 month worth of GAG. This would cover expenditure, both in terms of salaries and invoices. The Academy will therefore maintain a revenue reserve therefore of £100,000.
5. In terms of capital it is difficult to quantify what unforeseen land and buildings risks may occur. However it is essential to ensure a capital reserve is available to mitigate against any risks. The Academy will therefore maintain a £50,000 capital reserve.
6. Whilst sickness insurance is budgeted for through the annual budget the Academy has decided to not, as a matter of course, take out maternity cover. Therefore the Academy will maintain a reserve to mitigate against the cost of maternity leave of £30,000.
7. The Academy acknowledges that a level of reserves should be kept for the unknown risks e.g pandemics, low applications etc and that a reserve amount of £20,000 will be kept for this purpose.
8. The total reserve the Academy will maintain will therefore total £200,000.

Review of Policy

9. The reserves policy will be reviewed by the Finance Committee on an annual basis.

The reserves policy was last reviewed by Kathryn Fox (Business Manager) in September 2023 and will be presented to the Trustees at the next finance committee meeting.

Investment policy

The Trust currently has no financial investments, however should it decide to pursue these in the future the policy is to delegate the management of investments to a financial expert.

St Patrick's Catholic Academy Trust

Trustees' Report for the Year Ended 31 August 2023 (continued)

Principal risks and uncertainties

The principal risk and uncertainty the Trust faces is the continued funding from the Department of Education. To mitigate against this risk the Trust ensures that these funds are used for the purpose they were provided for and only in accordance with guidance laid out in the DfE Academies Trust Handbook. The Trust ensures proper stewardship of those funds, economy, efficiency and effectiveness in their use, using its discretion reasonably and takes into account any and all relevant guidance on accountability or propriety.

The main financial risks are:

- Protection of the Trust's assets
- Conflicts of interest, theft, bribery, loss, waste, fraud or mistakes
- Robust financial reporting systems
- Compliance with financial law and regulations

To mitigate against these risks relevant insurance policies are in place. Rigorous internal controls and risk assessments have taken place, in collaboration with the Trusts nominated Internal Auditor to ensure law and regulations are adhered to.

The restricted pension fund reserve is £nil (2022: £35,000) as at 31 August 2023. This previous deficit has been inherited upon conversion to academy status and the trustees will continue to monitor this situation closely.

The trust feels that the main risk impacting on trustees' responsibilities to ensure the trust's estate is safe, well maintained and complies with relevant regulations for pupils, staff and visitors is due to the uncertainties around whether the Academy will join a Catholic MAT. To alleviate this uncertainty the Academy has resolved not to join a CMAT and will review this decision every 3-5 years to ensure the senior leadership team can future plan appropriately.

Fundraising

Fundraising is split between the academy trust and Friends of St Patricks (FOSP), who hold events throughout the school year. As per the Charity Commissions guide to charity fundraising, the trustees look to plan effectively the fundraising undertaken by the school and look to supervise, through meetings with FOSP, their fundraising efforts.

School holds various fundraising events throughout the year. All contributions are voluntary and the school works hard to ensure that parents and carers, especially vulnerable people are not subject to unreasonably intrusive or persistent fundraising approaches or are put under any pressure to donate.

Grants are continued to be applied each year to generate income. Premises are hired out on a regular basis. The schools continues to install cost saving lighting when upgrades are needed. No complaints or issues were raised about the fundraising undertaken by St Patrick's during this financial year.

All money raised is used to fund the school's commitment to free breakfast and free lunchtime meals for all pupils irrespective of which stage they are in or their family income. The Governing body have committed to this and remain the only school in Sheffield doing this.

Plans for future periods

The Trust plans to implement a refurbishment of all classrooms and the school hall over the next 5 years utilising funds from both revenue and reserves. A CIF bid is being submitted to increase the electrical supply to the building. We will also be installing a new Nursery playground.

Auditor

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Reappointment of auditor

The auditors Marriott Gibbs Rees Wallis Limited are deemed to be reappointed under section 487(2) of the Companies Act 2006.

The trustees' report, incorporating a Strategic Report, was approved by order of the members of the Governing Body on ~~11/12/2023~~ and signed on its behalf by:

St Patrick's Catholic Academy Trust

Governance statement

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that St Patrick's Catholic Academy Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Government Handbook and competency framework for governance.

The Governing Body has delegated the day-to-day responsibility to S McKeown, Head Teacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St Patrick's Catholic Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the Governing Body any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Governing Body has formally met 4 time during the year. Attendance during the year at meetings of the Governing Body was as follows:

| Trustee | Meetings attended | Out of a possible |
|--|-------------------|-------------------|
| S McKeown, Head and Accounting Officer | 1 | 4 |
| G Brown, Chair of Governors | 4 | 4 |
| K Caterer | 1 | 4 |

| A Rymill | 3 | 4 |

Conflicts of interest

Upon appointment each trustee must complete a business interest form in order to identify any possible related parties. A new business interest form is also completed annually and trustees are required to state any new business interests at the start of every meeting held. These are then summarised on the register of interests which is kept up-to-date and displayed on the website. Key management personnel also complete the same form to further manage any conflicts of interest.

St Patrick's Catholic Academy Trust

Governance statement (continued)

Governance reviews

The Governing body annually audit the skill set of the governors and use this information to allocate governors to specific roles and committees. Governors are encouraged to attend training sessions to fill any particular skill sets. The last self-evaluation of governance was September 2023. The next self-evaluation of governance is scheduled for the September 2024.

The Finance and General Purposes Committee is a sub-committee of the main Governing Body. Its purpose is to:

1. ensure proper financial administration arrangements are in place that enable the Governing Body to fulfil its statutory responsibilities for financial management and also demonstrate the achievement of key financial administration standards required by the DfE and OFSTED.

2. oversee the management of the school's finances within the framework established by the Academies Trust Handbook published by the DfE and the Academy Schools: guidance on regulation as Charities published by the Charities Commission. Attendance at meetings during the year was as follows:

| Trustee | Meetings attended | Out of a possible |
|----------------|--------------------------|--------------------------|
| G Brown | | |

| K Kiely | 3 | 3 |
| B Mathew | 3 | 3 |
| K Caterer | 2 | 3 |
| L Hall | 1 | 3 |
| G Brown | 3 | 3 |

Effective oversight of funds

Monthly management accounts are reviewed by the Chair of Governors and the Accounting Officer on a monthly basis and discussed with the school business manager. These are then discussed in detail, along with up to date budgets, at the Finance and Governance Committee meetings and Full Governing Body meetings.

Review of value for money

As accounting officer the head teacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Employing retiring members of staff on a casual supply basis at a lower rate than the cost of supply agencies.
- Arranging joint CPD/Inset day training with other schools to spread the cost.
- Joint procurement with other schools on photocopying saw a significant reduction in costs.
- Developing a new training conference facility, which is available for hire.
- Explores every opportunity to generate income through hire of Academy facilities. Income is also generated from small grant applications which help to support the wider curriculum.
- Reviews expenditure within each budget heading annually and make adjustments based on the effectiveness of strategies introduced in previous years, curriculum offer and any new strategies identified in the Academy Development Plan.
- Where possible, collaborates with other Trusts to keep procurement costs to a minimum.
- Maximises its resources by utilising its environmental policies and carrying out essential maintenance. These include the installation of a new eco friendly classroom and repairs to the roof.
- As an SLT. We have used trust reserves, to address large capital works to ensure the trust's estate is safe and complies with relevant regulations and to upgrade and make improvements.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in St Patrick's Catholic Academy Trust for the year ended 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Governing Body has reviewed the key risks to which the academy trust is exposed, together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Governing Body is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the year ended 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Governing Body.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

St Patrick's Catholic Academy Trust

Governance statement (continued)

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body;
- regular reviews by the Finance and General Purposes Committee of reports, which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

The Governing Body has decided:

- to employ Jane Fowkes as internal auditor

The auditor's role includes giving advice on financial and other matters and performing a range of checks on the academy trust's financial and other systems. In particular the checks carried out in the current period included:

- budget planning and monitoring
- benchmarking
- testing of purchasing/procurement systems including ensuring that authorisation and value for money policies are adhered to;
- testing of payroll systems;
- testing of income systems;
- testing of bank control and reconciliation procedures;
- review of academy's assets
- review of lettings
- testing of procedures for the recording of financial information and reporting to governors; and
- testing the requirements of the Academy Trust Handbook and review of governance
- review of risk management

On a termly basis, the auditor reports to the Governing Body, through the audit committee on the operation of the systems of control and on the discharge of the Governing Body's financial responsibilities and annually prepares an annual summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

There were no material control or other issues reported by the internal auditor to date.

Review of effectiveness

As accounting officer, the trustee has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the financial management and governance self-assessment process or the school resource management self-assessment tool;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditor;
- correspondence from ESFA

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Finance and General Purposes Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement of regularity, propriety and compliance

As accounting officer of St Patrick's Catholic Academy Trust I have considered my responsibility to notify the academy trust Governing Body and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy trust Governing Body are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Trust Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Governing Body and ESFA.

Statement of Trustees' Responsibilities

The Trustees (who are the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

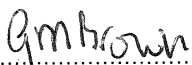

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report on the Financial Statements to the Members of St Patrick's Catholic Academy Trust

Opinion

We have audited the financial statements of St Patrick's Catholic Academy Trust (the 'Academy') for the year ended 31 August 2023, which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice) Accounting and Reporting by Charities; Statement of Recommended Practice applicable to Charities (Charities SORP 2019) and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.
- have been properly prepared in accordance with the Charities SORP 2019 and Academies Accounts Direction 2022 to 2023.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Bases on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information (covers the Reference and administrative details, the Trustees' Report and Strategic Report and the Governance statement)

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities [set out on page 17], the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

St Patrick's Catholic Academy Trust

Independent Auditor's Report on the Financial Statements to the Members of St Patrick's Catholic Academy Trust (continued)

Auditor Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the Academy Trust and its industry, we identified that the principal risks of non-compliance with laws and regulations related to the funding agreement with the Department of Education, UK tax legislation, pensions legislation, employment regulation and health and safety regulation, anti-bribery, corruption and fraud, money laundering, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, such as the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023.

We evaluated the Trustees' and management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- Discussing with the Trustees and management their policies and procedures regarding compliance with laws and regulations;
- Communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit;
- Enquiring with management and trustees concerning any actual or potential litigation or claims;
- Inspecting correspondence with regulators and legal advisors;
- Reviewing minutes of trustees meetings; and
- Considering the risk of acts by the company which were contrary to applicable laws and regulations, including fraud.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the Trustees and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud;
- Addressing the risks of fraud through management override of controls by reviewing transactions around the end of the reporting period and by testing the appropriateness of journals and other adjustments;
- Performing analytical procedures to identify unexpected changes or movements to account balances which may be indicative fraud;

St Patrick's Catholic Academy Trust

Independent Auditor's Report on the Financial Statements to the Members of St Patrick's Catholic Academy Trust (continued)

- Assessing whether the judgements made in making accounting estimates are indicative of any potential bias; and
- Evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, misrepresentations, forgery, intentional omissions, collusion, or the override of internal controls.

The further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Academy's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its Trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

Independent Reporting Accountant's Assurance Report on Regularity to St Patrick's Catholic Academy Trust and the Education and Skills Funding Agency to St Patrick's Catholic Academy Trust and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 31 August 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St Patrick's Catholic Academy Trust during the period 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St Patrick's Catholic Academy Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we may state to St Patrick's Catholic Academy Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St Patrick's Catholic Academy Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of the Governing Body's accounting officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of the Governing Body's funding agreement with the Secretary of State for Education dated 26 February 2013 and the Academies Trust Handbook extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year from 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- The assessment and evaluation of relevant control procedures adopted by the Academy Trust
- Assessing the risk of material irregularity
- Undertaking limited testing of income and expenditure, including identifying and testing funding agreements in place

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year from 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements for the Year Ended 31 August 2023

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty is set out below.

Basis of preparation

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the accounts.

Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items, they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Tangible fixed assets

Assets costing £5,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

With the exception of Early Years buildings, all of the academy premises consist of land and buildings owned by, or leased by the Diocese of Hallam. The Trustees of the Diocese of Hallam are the providers of the academy on the same basis as when the academy was a maintained school. The academy trust occupies the land and buildings under a mere licence. The continuing permission of the Diocese of Hallam is pursuant to, and subject to, the Diocese's charitable objects, and is part of the Catholic Church's contribution since 1847 to provide state funded education in partnership with the State. The licence delegates aspects of the management of the land and buildings to the academy trust company for the time being, but does not vest any rights over the land in the academy trust company. The Diocese of Hallam has given an undertaking to the Secretary of State that they will not give the academy trust company less than two years notice to terminate the occupation of the land and buildings. Having considered the factual matrix under which the academy trust company is occupying the land and buildings, the governors have concluded that the value of the land and buildings occupied by the academy trust company should not be recognised on the balance sheet of the company.

An amount based upon the rateable value of these land and buildings has been recognised in these accounts within income and expenditure.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, per the table below. Where an asset comprises of two or more components which have substantially different useful lives, each component is depreciated separately over its useful economic life.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

| Asset class | Depreciation method and rate |
|------------------------------|-------------------------------------|
| Leasehold land and buildings | 4% to 10% straight line |
| Furniture and equipment | 25% straight line |
| Assets Under Construction | 0% |

Financial Instruments

St Patrick's Catholic Academy Trust

Notes to the Financial Statements for the Year Ended 31 August 2023 (continued)

1 Accounting policies (continued)

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 12. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 13. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions

Provisions are recognised when the academy trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

Leased assets

Rentals under operating leases are recognised in the period in which a liability is incurred and charged over the lease term.

Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pension benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes. The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income/(expenditure) are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources, which are to be applied to specific capital purposes imposed by funders, where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

St Patrick's Catholic Academy Trust

Notes to the Financial Statements for the Year Ended 31 August 2023 (continued)

1 Accounting policies (continued)

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

The main school building is held on a licence from the trustees of The Diocese of Hallam. The governors have assessed the risks and rewards of ownership and in their judgement, and after holding discussions with The Diocese of Hallam, these have not been transferred to the academy trust.

9 Related party transactions - trustees' remuneration and expenses

One or more trustees has been paid remuneration or has received other benefits from employment with the academy trust. The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their role as trustees. The value of trustees' remuneration and other benefits was as follows:

S McKeown (Head teacher):

Remuneration: £70,000 - £75,000 (2022 - £65,000 - £70,000)

Employer's pension contributions: £15,000 - £20,000 (2022 - £15,000 - £20,000)

D Fernandes (Staff governor):

Remuneration: £0 - £5,000 (2022 - £15,000 - £20,000)

Employer's pension contributions: £0 - £5,000 (2022 - £0 - £5,000)

C Pierce (Staff Trustee):

Remuneration: £15,000 - £20,000 (2022 - £Nil)

Employer's pension contributions: £0 - £5,000 (2022 - £Nil)

During the year ended 31 August 2023, travel and subsistence expenses totalling £154 (2022 - £111) were reimbursed or paid directly to 1 trustees (2022 - 1).

Other related party transactions involving the trustees are set out in note 23.

10 Trustees' and officers' insurance

The academy trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

22 Pension and similar obligations

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by South Yorkshire Pension Authority. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £12,835 (2022 - £9,801) were payable to the schemes at 31 August and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. Assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The latest actuarial TPS valuation results, as at 31 March 2020, were released in October 2023. The revised employer contribution rate, arising from this valuation, is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the period amounted to £114,960 (2022: £109,088). A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local government pension schemes

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2023 was £127,000 (2022 - £114,000), of which employer's contributions totalled £97,000 (2022 - £87,000) and employees' contributions totalled £30,000 (2022 - £27,000). The agreed contribution rates for future years are 21.9 per cent for employers and between 5.5% and 12.5% per cent for employees. The scheme is managed by South Yorkshire Pension Authority.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of an academy trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.
