

Open your heart, open your mind, welcome to success

4th February 2025

Good afternoon,

I am writing to make you aware that following the tragic events at All Saints High School yesterday, as a school community we are sending our heartfelt thoughts and prayers to the family of the boy who tragically passed away, his friends and the wider school community.

This incident has caused significant distress and concern within the St Patrick's school community.

Many of our pupils are asking questions and are discussing this incident with their peers. In response to this, we will be gathering with our children, Year 1 to Year 6, tomorrow morning for a short period of prayer and reflection.

If you or your child require support at this difficult time, please do not hesitate to get in touch.

Thank you for your ongoing support.
