

15 April 2025

Dear Parents and Carers,

Full closure of school – Wednesday 16 April and Thursday 17 April 2025

I am writing to inform you that the school will be closed for the next two days due to a fault that has been found which will leave us without water while it is checked and put right. This issue needs to be addressed before we can have children back in school. I apologise for any inconvenience caused however the health and safety of your children and our staff is our priority.

Kind regards

KuDobs _____

Mrs K Dobson
Executive Headteacher
